

EXTRA TOOLS TO NAVIGATE YOUR ONLINE ACCOUNTS

Like many devices and software platforms, the Settings section of your online account access is represented by a white gear symbol in the upper right corner of the screen. From this icon, you can find information on to **Personalize** your view, **General** information about our services, and **Regulatory** requirements and documents for your review.

PERSONALIZE YOUR ACCOUNTS

The **Personalize** section of the Settings link offers you the ability to customize your account display to suit your viewing needs. It also allows you to set up notifications via text or email to keep you up to date on changes to your accounts. You can update your address, phone number, or email address at any time using this secure method.

- [Alerts](#) – Set up a device where alerts will be sent, set up texts or emails to advise you of changes to your security settings, receive notifications of transfers between accounts, or set notifications about activity on an account
- **Settings** – Activate and deactivate alternate logon options, rearrange the position of accounts on your display, [change the name used to identify each account on your display](#), or hide accounts you prefer not to see
- **Profile** – Update your mailing and physical address, email, or phone number on file with Dakota West

ACCESS GENERAL DAKOTA WEST INFORMATION
